3M Demo Centre of Excellence

Try before you buy—and experience
the difference at no cost to you!

Because every job is unique, it can be difficult to know if you are using the right personal protective equipment for the job. Experience the difference 3M can make with our no-cost demo program, allowing you to trial select 3M™ Versaflo™ Powered Air Purifying Respirator Systems on site for 30 days. A pre-paid shipping label will be provided with your equipment to allow you to return the product at the end of your 30-day trial.

Below are examples of 3M's most popular products in the market today and do not represent the full 3M demo offering. Customize your system to suit your needs and your environment. Learn more at [3M.ca/PoweredAir](https://www.3m.ca/PoweredAir).
